In re Application of :  
Yamada, et al. :  
Application No. 09/748,470 : DECISION ON PETITION  
Filed: December 26, 2000 :  
Attorney Docket No. YKI-0060 :

This is a decision on the petition to withdraw the holding of abandonment under 37 CFR 1.181, filed February 9, 2004. The petition was recently forwarded to the Office of Petitions for consideration.

The petition is **GRANTED**.

The above-identified application was held abandoned for failure to timely file a response to the non-final Office action mailed June 19, 2003. This Office action set a shortened statutory period for reply of three (3) months. Therefore, the last day a reply could have been timely filed, with a three month extension of time, would have been December 19, 2003. The Office mailed a Notice of Abandonment on January 13, 2004, stating that no reply had been received.

A review of the application file reveals the presence of an Amendment, filed on December 22, 2003, made timely by obtaining a three month extension of time and including a Certificate of Mailing dated December 18, 2003. A review of Office finance records confirms that the Office received the fee for the three month extension of time on that same day. Accordingly, it is obvious that the Notice of Abandonment was mailed in error.

In view thereof, **the holding of abandonment is withdrawn.**

The matter is being forwarded to Group Art Unit 2879 for consideration of the Amendment, timely filed with a three month extension of time on December 22, 2003 (Certificate of Mailing dated December 18, 2003).
